MAURO junior bed

XO-INMYROOM

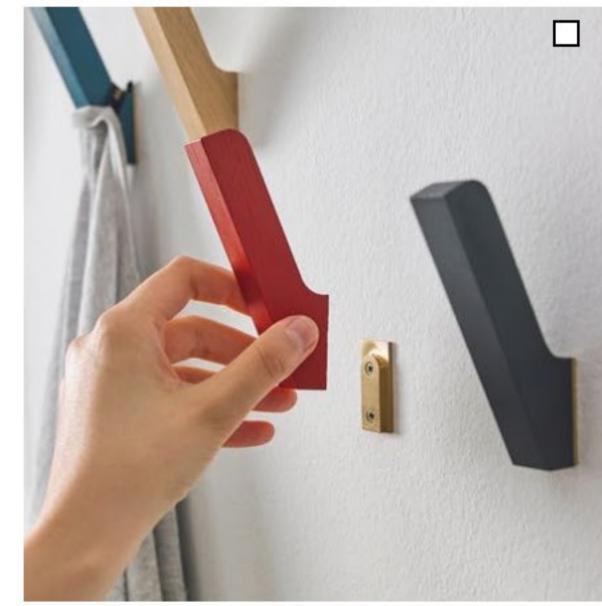

The low height of our Mauro junior bed allows kids to climb in and out on their own, reinforcing their sense of independence. The laterals are designed to protect kids from falling when asleep. The side tray that can be placed on each side of the bed, has a hole to hold a cup with water if they need to drink during the night, avoiding it to tip over. The rounded shapes are child friendly, to prevent harms from sharp edges. The handwoven straw on the headboard brings lightness to the set, creating a refreshing, yet vintage-looking feel strongly connected to the crafts tradition.

TORNADO Eco-friendly Sunglasses

PARAFINA

TORNADO has been created by combining organic bio acetate with 100% recycled aluminum derived from cans collected from uncontrolled landfills. TORNADO combines an organic material in the frame, bio acetate or organic cellulose acetate (free of chemical-based plasticizers) with recycled aluminum, which we obtain from soda cans, on the temples. The result is a waterproof and hypoallergenic frame. The lenses, made of polycarbonate, are polarized and with UV 400 protection (cat. 3).

Hanger MAD LAB
